Welcome

Welcome to the Writing Correction Service.

Firstly, I am sorry for there being so many rules below. A small number of people always fail to follow simple steps and this causes huge delays to the service, so please take the time to follow the steps below. I really appreciate it.

Please read **ALL** the information below. **Failure to read and follow the advice below will result in your feedback being delayed and/or rejected.**

Below you will find all the questions you need to start practicing. **You should attempt these questions only.**

How does the system work?

This document provides you with a list of questions you can submit and a helpful guide to make sure you submit them properly.

**You must not email answers to me. If you email answers there will be a significant delay and your work will be rejected.**

Instead of emailing me, you will be given a link to an online form and you can submit your answer there. This ensures the speed and quality of this service is maintained.

What do I do next?

1. Choose the questions you want to try below.
2. Go to the link provided below and submit your answer there.

I will then mark it and send it back to you, along with your feedback. You will receive your feedback within 24 hours* of sending. Please note that this service only runs from Monday to Friday. Any submissions sent from Friday evening to Saturday evening will be returned on the following Monday.

You should complete the course before submitting. This is not compulsory, but it will give you an idea of what the IELTS examiners expect and how I will give you feedback.

Good luck and I look forward to reading your essays soon. If you have any questions, please send me an email.

Christopher Pell

Please read the checklist on the next page before sending.
